Re: **Fog Tech®- Anti-fog solution**

This is in reference to your request concerning the use of the above anti-fog solutions in a registered food establishment.

Based on the submitted information we can advise that this product does not require acceptance by Canadian Food Inspection Agency (CFIA) for use on safety goggles/glasses with the understanding it is not stored or applied in a food handling area.

I trust the above is in keeping with your request.

Yours truly,

J. J. Donald  
Technical Program Officer  
Food Safety Risk Analysis Unit  
Food Safety Directorate
